Work Experience

2019 – 2022 . Kitchen Staff

As part of AG Restaurants Kitchen Staff, I was helping the company to achieve better food standards along with preparing it as fast as possible. It was meaningful experience in which I collaborated and coordinated with people from the same position.

2015 – 2018 and 2021. Bartender

As a bartender my primary job was serving and maintaining public relations with clients. As secondary responsibilities, my duties were to take care of the professional work space.

- Staff Trainer
- Client Relations
- Stock Management
- Cocktail Preparation
- Inventory Management and Order Placement
- Enthusiastic engagement with customers
